

How to edit your screen on the Dashboard

Learn how to effectively update and manage elements on your dashboard. This guide walks you through uploading new content, editing existing content, and applying changes to ensure your screen is always up-to-date.

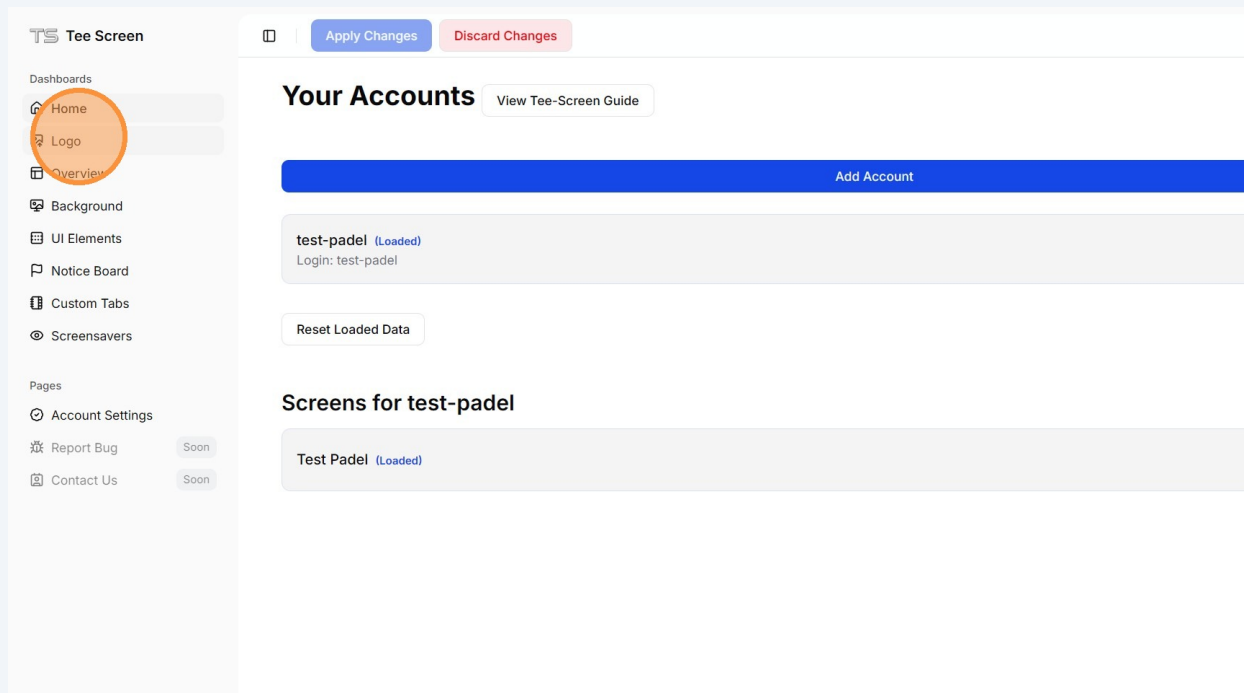

This system allows you to make a number of changes before applying these changes to your screen all at once

- 1 Click "Load Screen" to load the screen you wish to edit

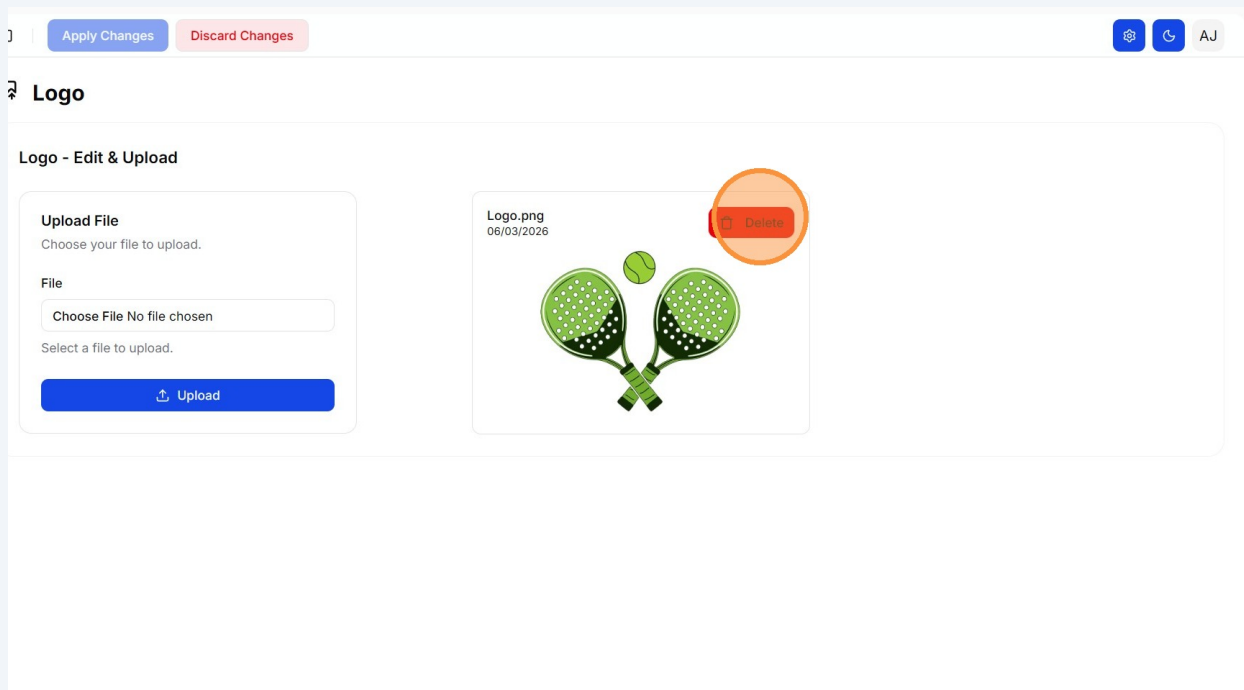

2

For editing Images. Go to the section you want to edit. In this example we will edit the Logo

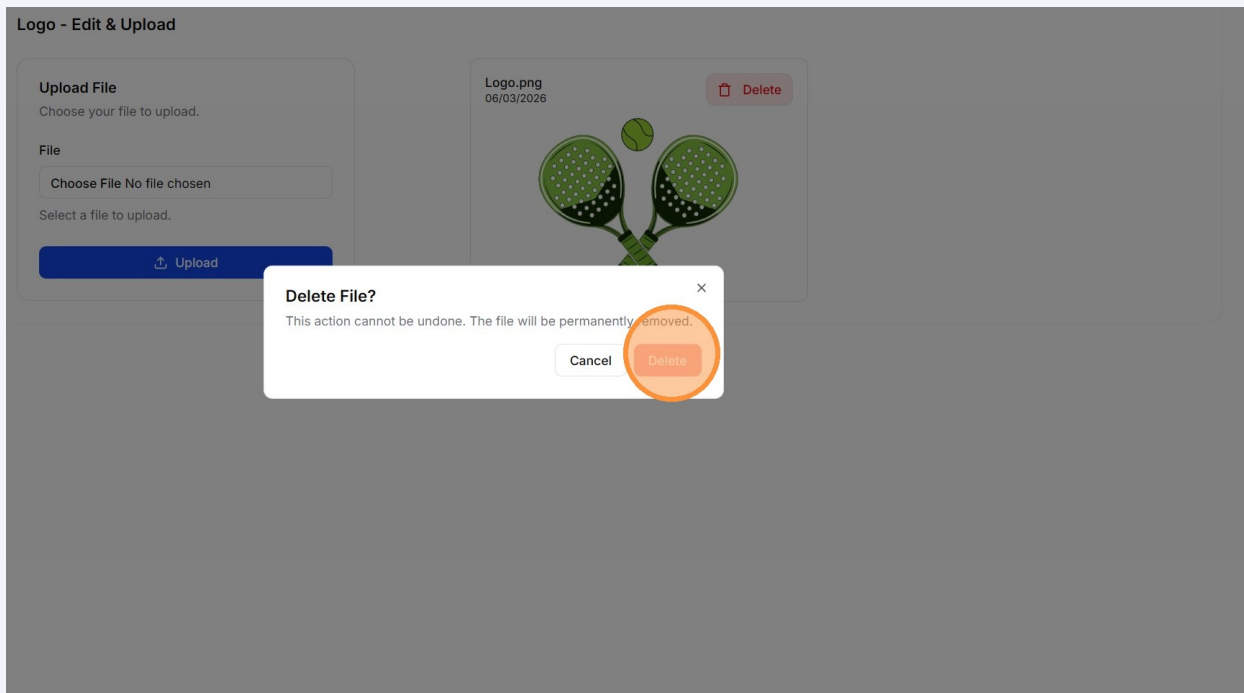

3

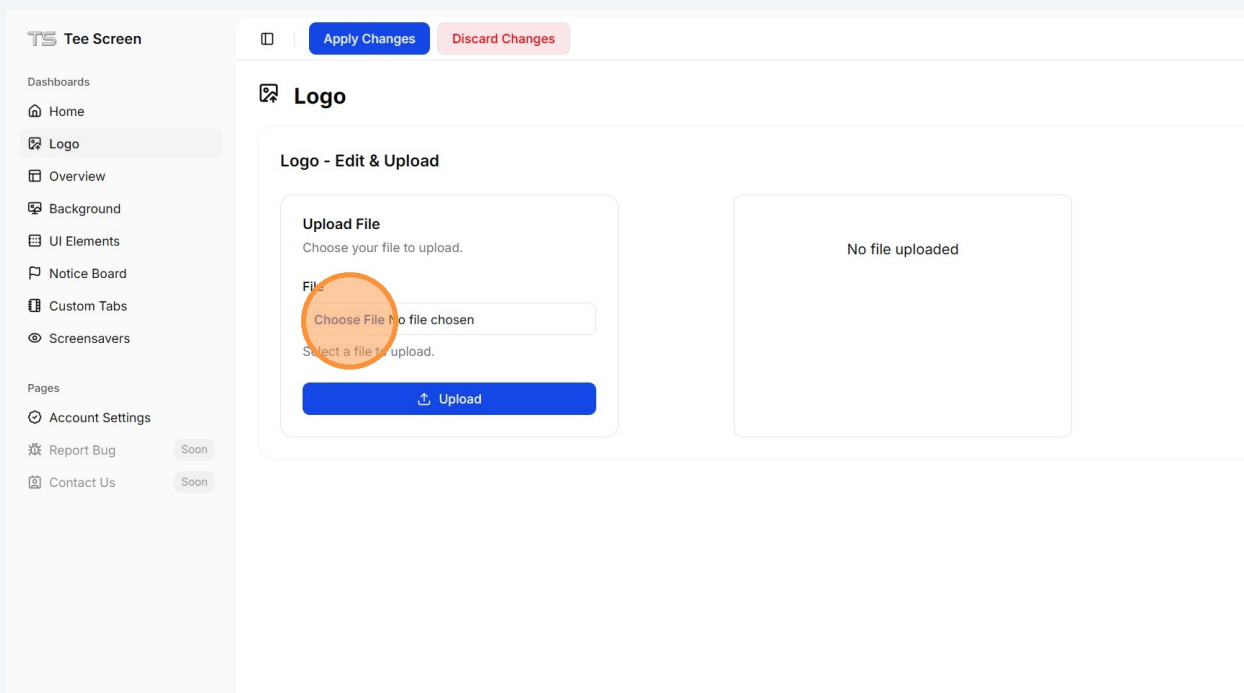

To remove an image, click Delete

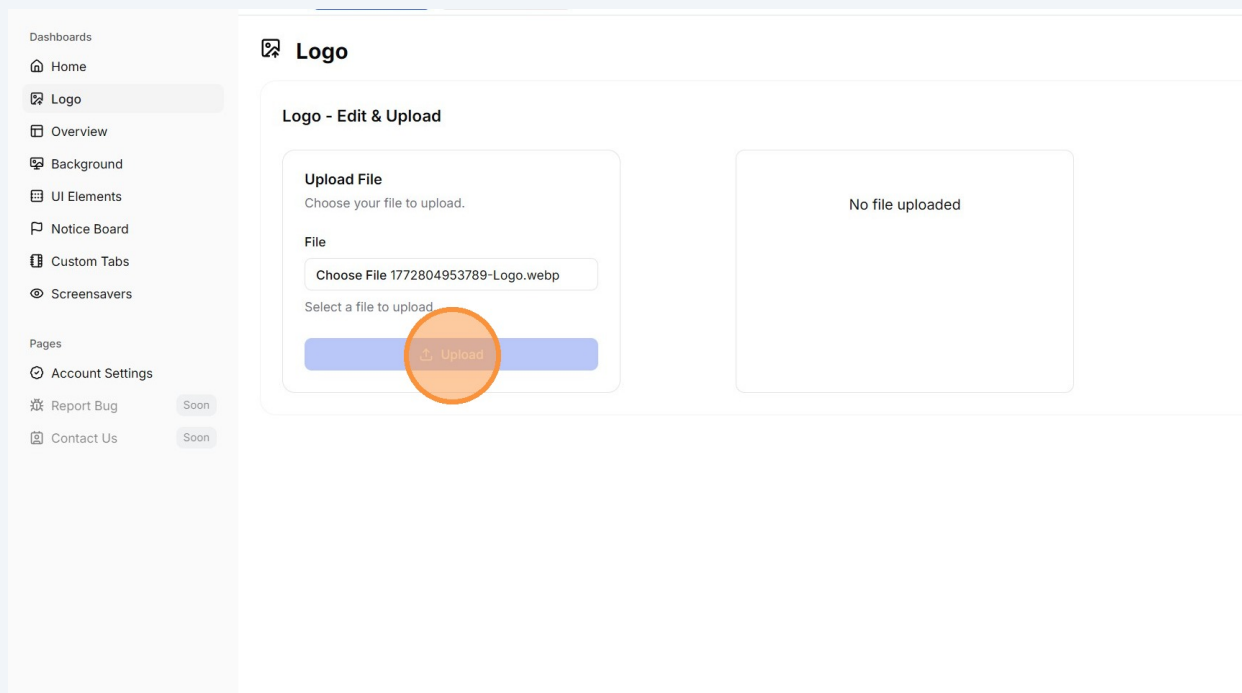

4 You will get a pop up to confirm this

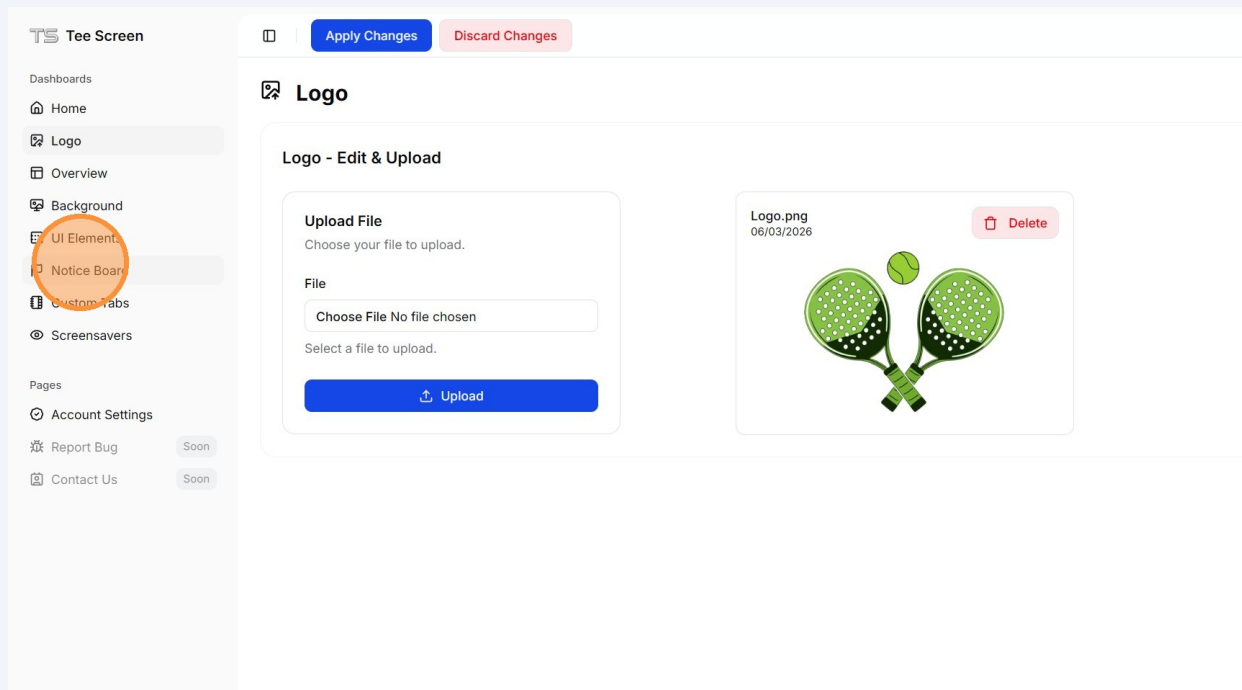

5 the apply changes button is now lit up and you can apply the changes so far if you want to remove the image from the screen. But here we want to add a new image instead, so click the Choose File on the screen. This will open your devices files and let you choose one.

6 Once a file has been chosen, you can click Upload

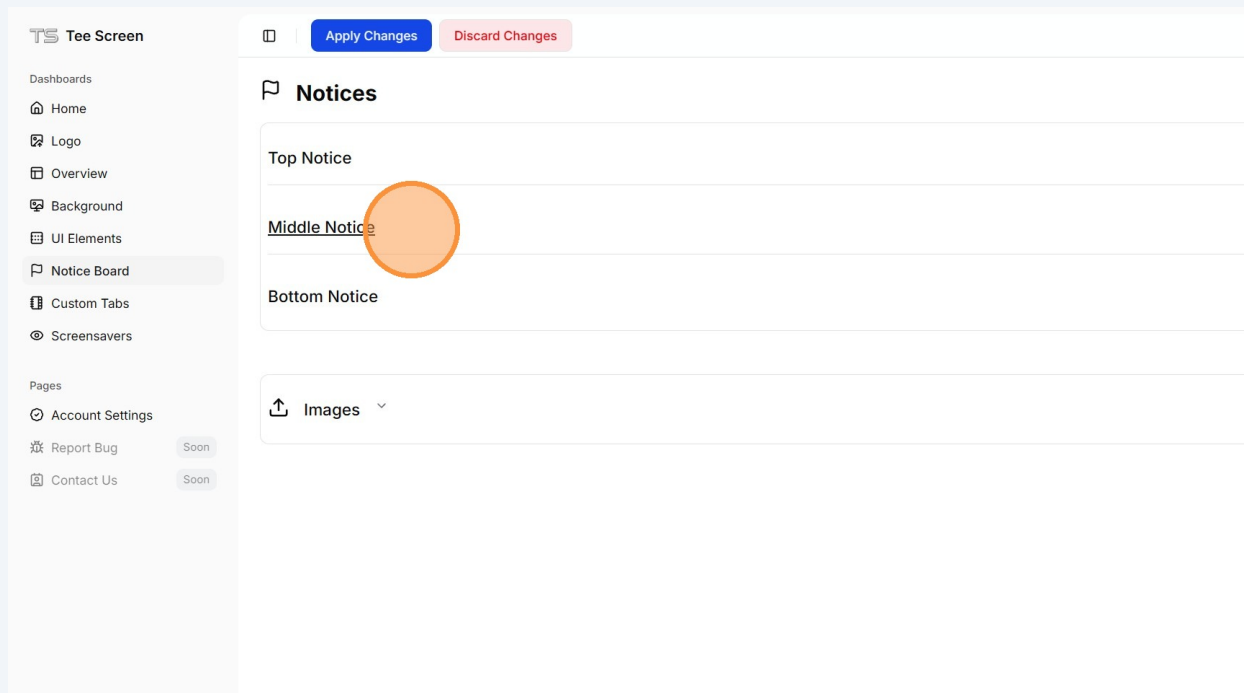

7 Now that the image is successfully uploaded, we can change some of the other content. Here I got to one of the other sections.

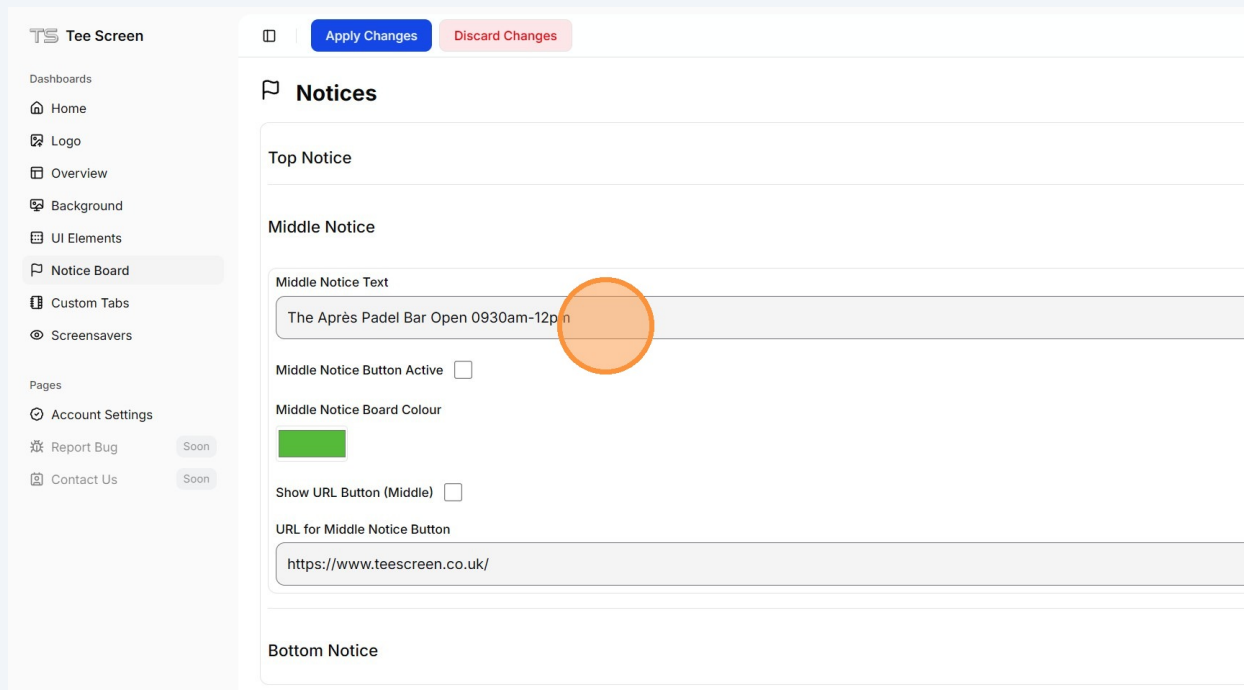

8

Click the Middle Notice to open it

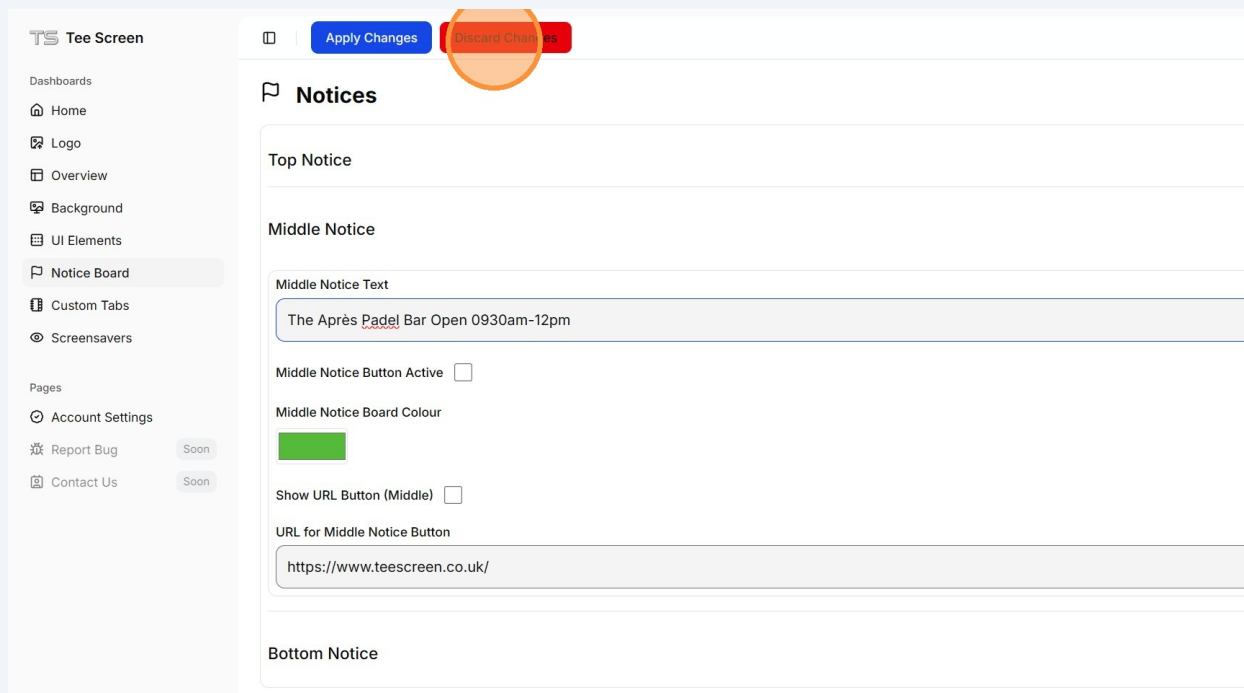

9

Make any changes here. The changes are auto saved

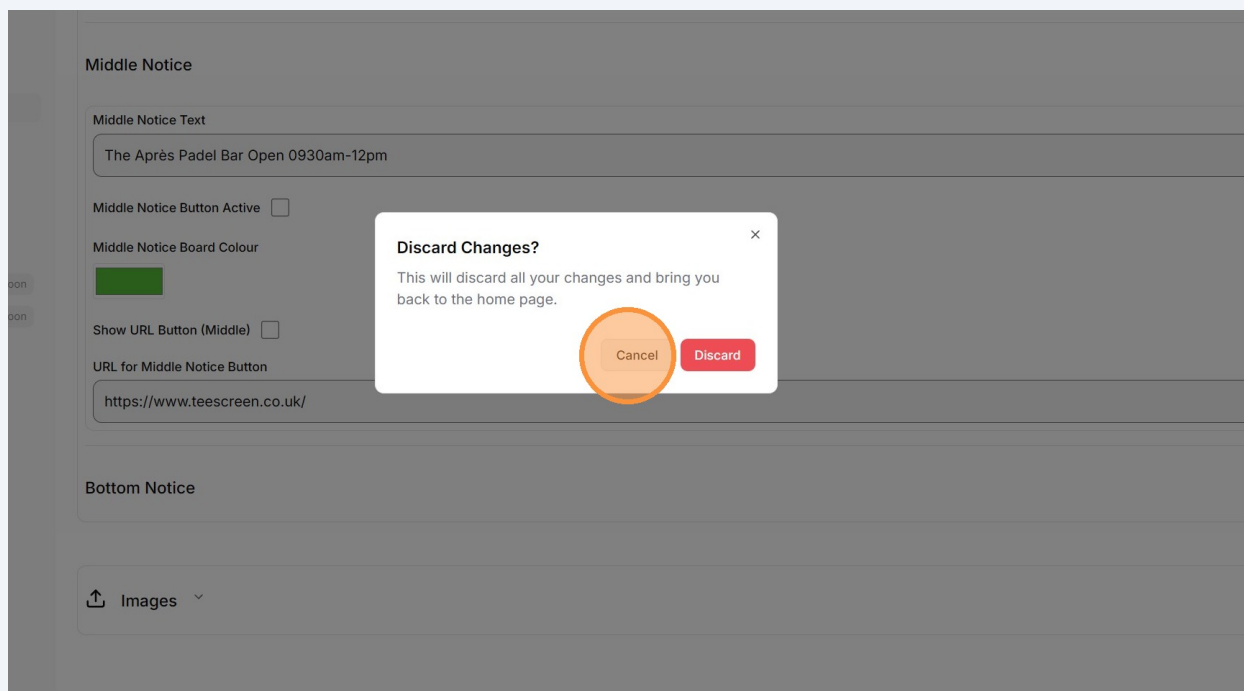

10 If you want to undo all changes you have made you can click Discard Changes

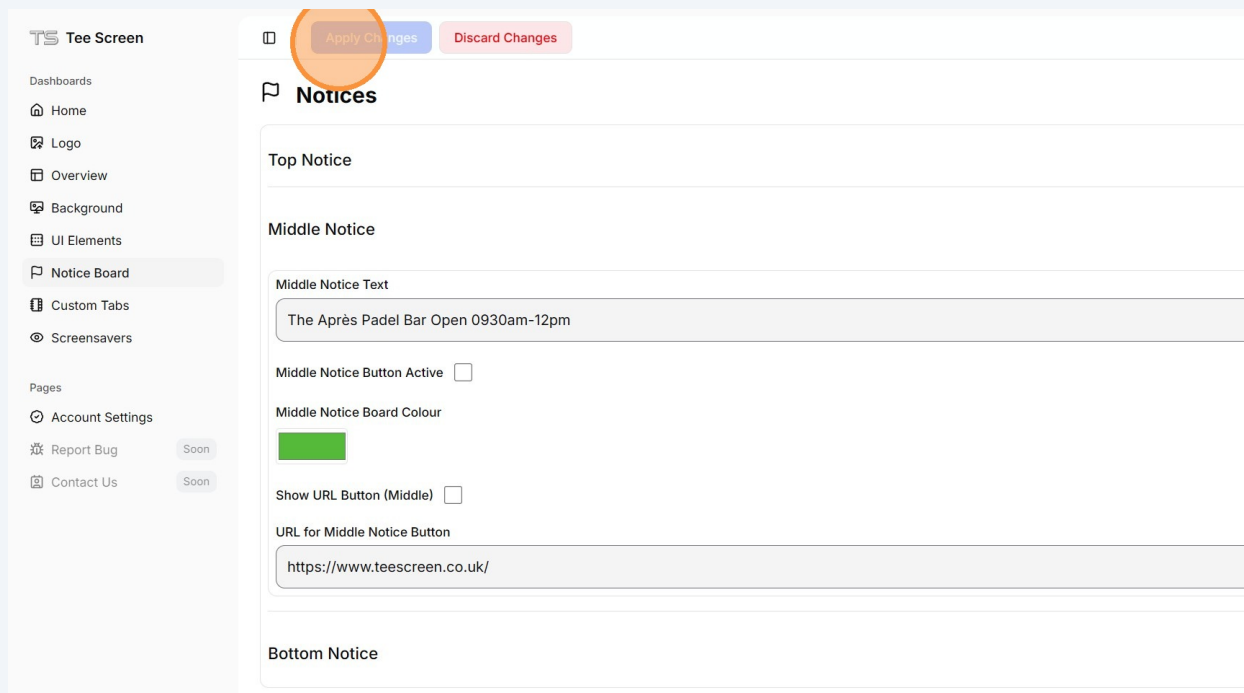

The screenshot shows the 'Notices' configuration page in the Tee Screen interface. On the left is a sidebar with navigation options: Dashboards, Home, Logo, Overview, Background, UI Elements, Notice Board (selected), Custom Tabs, and Screensavers. Below these are 'Pages' and 'Account Settings' sections. The main content area is titled 'Notices' and contains fields for 'Top Notice', 'Middle Notice', and 'Bottom Notice'. The 'Middle Notice' section includes a text input field with 'The Après Padel Bar Open 0930am-12pm', a checkbox for 'Middle Notice Button Active', a color picker for 'Middle Notice Board Colour' (set to green), a checkbox for 'Show URL Button (Middle)', and a URL input field with 'https://www.teescreen.co.uk/'. At the top of the main content area, there are two buttons: 'Apply Changes' (blue) and 'Discard Changes' (red). The 'Discard Changes' button is circled in orange.

11 A pop up will appear asking you to confirm if you want to discard the changes or not

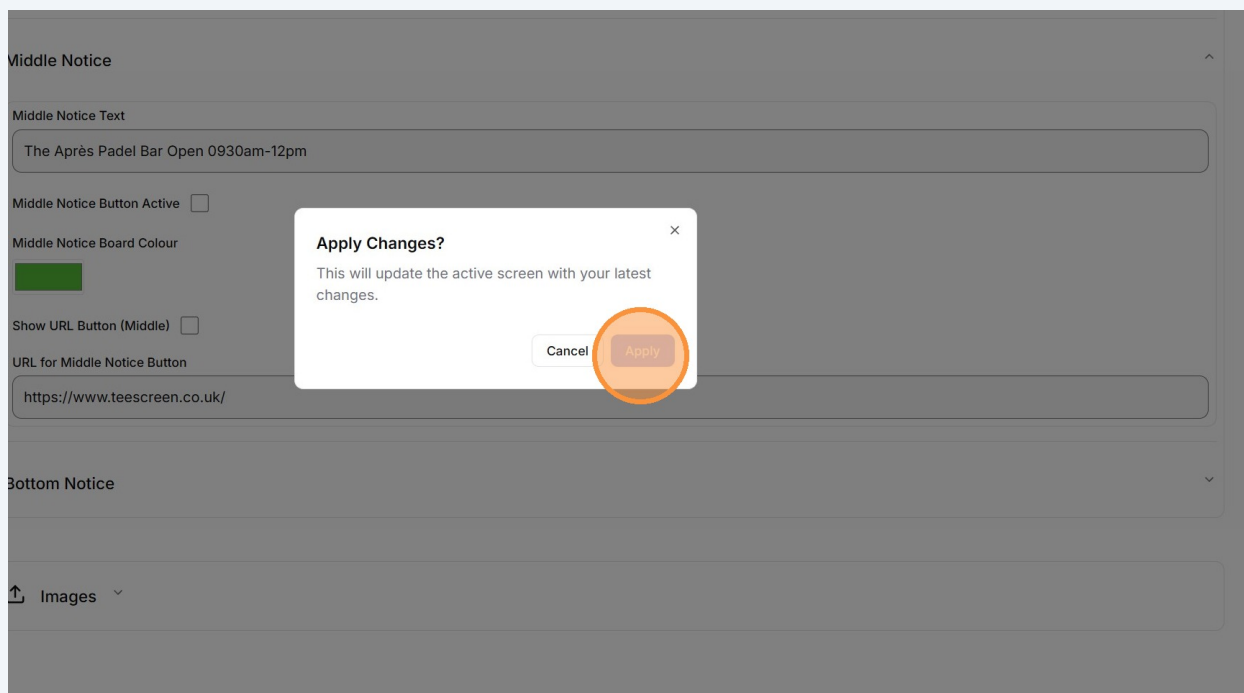

This screenshot shows the same 'Notices' settings page as in step 10, but with a confirmation dialog box overlaid in the center. The dialog box is titled 'Discard Changes?' and contains the text: 'This will discard all your changes and bring you back to the home page.' At the bottom of the dialog are two buttons: 'Cancel' (light orange) and 'Discard' (red). The 'Discard' button is circled in orange. The background settings page is dimmed.

12 If you want to apply your changes to your screen, then click Apply Changes

The screenshot shows the 'Tee Screen' interface. On the left is a sidebar with a 'Dashboards' section containing links to Home, Logo, Overview, Background, UI Elements, Notice Board (highlighted), Custom Tabs, and Screensavers. Below this is a 'Pages' section with 'Account Settings', 'Report Bug' (with a 'Soon' button), and 'Contact Us' (with a 'Soon' button). The main content area is titled 'Notices' and contains three sections: 'Top Notice', 'Middle Notice', and 'Bottom Notice'. The 'Middle Notice' section includes a text input field with 'The Après Padel Bar Open 0930am-12pm', a checkbox for 'Middle Notice Button Active', a color picker for 'Middle Notice Board Colour' (set to green), a checkbox for 'Show URL Button (Middle)', and a URL input field with 'https://www.teescreen.co.uk/'. At the top of the main content area, there are two buttons: 'Apply Changes' (highlighted with an orange circle) and 'Discard Changes'.

13 A pop up will appear asking you to confirm if you want to apply the changes you have made to your screen. Click Apply to confirm

This screenshot shows the same 'Notices' configuration page as in step 12, but with a confirmation pop-up displayed in the center. The pop-up is titled 'Apply Changes?' and contains the text 'This will update the active screen with your latest changes.' At the bottom of the pop-up are two buttons: 'Cancel' and 'Apply' (highlighted with an orange circle). The background of the configuration page is dimmed.

14

Once the changes have been successfully applied to your screen, this pop up will appear

test-padel (Loaded)
